STUDENT AND PARENT HANDBOOK

FOREWARD

This Student and Parent Handbook is provided to inform you of rules, policies, procedures, guidelines and other information you may need or for which you are responsible during the school year. Answers to many frequently asked questions may be found herein and we encourage you not only to carefully review the handbook but to keep it readily available for reference throughout the year. If you have questions or concerns that are not addressed in the handbook, you are encouraged to contact the teacher or the principal.

The administration reserves the right to modify its rules, policies, procedures or guidelines as published in this Handbook. Modifications made during the school year will be publicized through email, parent alert and/or website.

PURPOSE AND USE OF STUDENT HANDBOOK

The purpose of this Student Handbook is to ensure the efficient operation of Saint Mary's School by providing important information and explaining certain administrative policies and procedures of the school. Although many policies and procedures are provided in this Handbook, it cannot address all matters that come to the attention of our faculty, staff, administration, students and parents. Therefore, the Principal has the discretion to take actions other than those specified in the Student Handbook.

Violations of the spirit, intent or letter of the policies, rules and regulations found in the handbook will be considered just causes for administrative action.

Under no circumstances may a parent/guardian excuse a student from observance of St. Mary's School policies, rules and regulations if the parent/guardian expects the student to remain in good standing with the school.

The administration is the final recourse and arbiter of policies and regulations in this handbook and has the right to amend, adapt or modify when it is deemed appropriate and necessary. Parents will be given proper notification of changes that are made.

SCHOOL SCHEDULE/RELIGIOUS INSTRUCTION

The length of the school day shall meet accreditation requirements and be determined at the school level to permit religious instruction, which is required daily for all students. The school schedule shall also provide for daily prayer and regular celebration of the Eucharistic Liturgy. The students attend Mass every Wednesday and Friday (8:10) and pray the Rosary together every Tuesday (8:10). The Stations of the Cross are done on Tuesdays during Lent.

ATTENDANCE:

ABSENCES/TRUANCY

Students are expected to be present for the entire time school is in session according to the school year. Attendance will be checked and recorded daily for all students. Written excuses are required by 8:30 a.m. on the day the student is absent/tardy. If a child is going to be absent/tardy on any given day, it is the responsibility of the parent to notify the school office by 8:30 a.m. If the office does not receive a call or email, a parent will be contacted by school officials. If possible, please avoid scheduling dental and doctor appointments during school hours.

Students must be fever free for 24 hours before returning to school. Students who are sent home during the school day with a fever will not be allowed to return to school the next day as this would not allow for the 24-hour protection of the entire school community.

STUDENT AND PARENT HANDBOOK

Absences must be documented by a note from a parent or health care professional to be considered an excused absence. Students with excessive absenteeism will be considered truant. A student who has been absent for five (5) days must present the school with a note from a healthcare professional.

School officials will contact the CSO as soon as a child has missed five (5) non-excused days whether consecutive or non-consecutive. The school will submit to the Superintendent a written report including the child and parent names, address with zip code and phone number; child's date of birth; school's name, address with zip code and phone number; name and official title of person making the report and notation of how many days are missed with individual dates.

The school calendar provides for extended weekends throughout the school year. Parents are encouraged to schedule trips of family outings during these times to eliminate the need to interrupt a child's learning process. Missed assignments are the student's responsibility.

Students are responsible for making up work missed during excused absences. All make-up work for days of excused absence must be completed and submitted to the teacher(s) according to their classroom policy. For every day absent due to an illness, a student has two days to make up the work. If the absences exceed five consecutive school days, the parent and teacher(s) should agree to a deadline for the submission of the work.

When a child is absent, teachers will have assignments for parents to pick up after school between 3:00-3:30 p.m. when requested. Requests must be made before 10:00 a.m. or the student will receive their missed assignment the next school day. Parents are encouraged to check their child's planner for their student's homework.

Any vacation that will require the student to be absent for an extended period must be approved by the principal. The school is under no obligation to provide make-up work or special testing arrangements for absences due to reasons such as vacation. Teachers are not required or obligated in any way to give assignments before or after family events and/or vacations. Assignments are given and due at the discretion of the school and teachers under these circumstances. Any missed assignments during this time will result in a zero in the grade book if prior arrangements were not made with the teacher.

Arrangements for regular classroom tests missed because of an absence are to be made with the individual teachers. These tests must be taken within one week of the original test date.

STUDENT AND PARENT HANDBOOK

Excessive absence (40) days or the equivalent of 40 days including tardies and early dismissal, can be cause for a student to be retained in the current grade the following school year.

ABSENCE DURING THE SCHOOL DAY

Students needing medical appointments during school hours require a written note by the parent. Parents are required to sign out their child. If the child returns to school during the same school day, he/she must be signed back into school in the office. If a student is not in school for an appointment for 3 ½ hours or more, he/she will be counted as absent for ½ a day. Three (3) early withdrawals, each of which is less than 3 ½ hours, are considered a ½ day absence. Due to compulsory attendance requirements, excessive tardies may result in a student needing to be retained the following school year.

LATE ARRIVAL/EARLY DISMISSAL

Tardiness is disruptive to the learning environment and should not occur except under exceptional circumstances. For any students who arrive after 8:00 a.m., a parent is required to escort them to the office to sign them in to school. All tardies are recorded in FACTS. Parents may not escort a student to their classroom.

- A silent lunch will be given to students in grades K-2 who are tardy 5 times and every 5 times after that, i.e., 10, 15, etc.
- Detention (Thursday afternoons 3:30-4:30 p.m.) will be given to students in grades 3-8 who are tardy 5 times and every 5 times after that, i.e., 10, 15, etc.
- Students who arrive at school after 10:00 a.m. or leave before 1:00 p.m. are given credit for a half-day of school.

Early dismissal will not be permitted without specific written permission of the parent or guardian. Parents/guardians must sign in/out students in the school office if they arrive late or depart early. Teachers will only dismiss students when given clearance and approval by the office staff or administration. Parents are not allowed to pick up their child at the classroom door without authorization from the office.

The principal may require a conference with parents of children who are consistently tardy or are leaving early. Excessive tardiness or early dismissal may also affect financial assistance or re-enrollment for the next year.

ACADEMICS

ACADEMIC INTEGRITY/DISHONESTY/PLAGARISM

STUDENT AND PARENT HANDBOOK

Consistent with our Catholic mission and philosophy, St. Mary's promotes and expects students to demonstrate self-discipline and honorable character. A high standard of honesty must be understood and practiced by each student. All academic work such as tests, quizzes, homework, projects, research papers and reports, etc. must reflect this basic premise. Students must refrain from taking ideas from others and using them as one's own work which are acts of cheating and/or plagiarism.

Plagiarism is "a direct violation of intellectual and academic honest." Although it exists in many forms, all plagiarism refers to the same act: using "someone else's ideas or phrasing and representing those ideas or phrasing as your own, either on purpose or through carelessness, is a serious offense known as plagiarism. "Ideas or phrasing" includes written or spoken material – from whole papers and paragraphs to sentences and phrases. It also includes statistics, lab results, artwork, etc.

To avoid plagiarism, you must indicate when you borrow another writer's ideas or words. You must document or cite your source(s), which means nothing more than telling your reader whose ideas or words you have used and where you found them.

Students who choose to be dishonest in their schoolwork (giving and/or copying work, cheating on a test, etc.) will receive a zero for that assignment, an "N" in conduct for the respective nine-week period, and a detention. Academic dishonesty is a serious offense that could result in the suspension or dismissal of the student.

ACADEMIC PROBATION

Students who are retained or who receive failing grades in more than two core subjects in any one term shall be placed on academic probation. Academic probationary status will be removed within one year by appropriate promotion or achievement of passing grades or the student will be subject to dismissal from the school at the discretion of the principal.

ACADEMIC DISMISSAL

Students who fail to remove probationary status within one year will be dismissed from the school.

ACCEPTABLE USE OF TECHNOLOGY RESOURCES

Students and their parents must annually agree to the school's acceptable use policy prior to the student using school technology resources.

St. Mary's School/Diocese of Memphis uses photographs of students on promotional tools for the school such as the website, brochures, etc. These include group pictures, photographs of athletic and academic teams, and snapshots of students. We do not use captions with names or otherwise identify students.

If the parent/guardian does not want their child/children's photograph on promotional tools for the school, it is the parent's responsibility to contact the office and fill out the appropriate form.

STUDENT AND PARENT HANDBOOK

ADMISSIONS AND PLACEMENT

Catholic schools do not discriminate by race, gender, color, national or ethnic origin, disability or religious persuasion in admitting students, although Catholic students are given an admission priority. Religious instruction and participation of all students in religious activities are required for all students enrolled in Catholic schools.

A student/parent interview and an entrance test are required for students entering grades K-8. The administration reserves the right to properly place a student or to suggest other educational alternatives for any child whose educational needs cannot be met in the St. Mary's School.

AFTER CARE PROGRAM

Aftercare is provided for students until 5:30 p.m. All students not picked up by 3:30 p.m. will be sent to the after-school program and a fee will be charged to their FACTS account.

A parent must register all children attending the program. If these services are needed on an occasional basis, please register at the beginning of the year. For further information, please pick up an information packet in the school office.

Students in the building after hours must be accompanied by a parent while attending games after school. ANTI-BULLYING POLICY

This policy has been created to support our school's mission, to support our commitment to provide a safe environment for all, and to support our students in developing the self-direction and skills necessary for positive social interaction.

In a school community, there will be times when students do not get along. This policy is designed to guide our community in responding to bullying and other negative social behaviors so that students move past negative behaviors and develop skills needed to get along together as part of the school community.

STUDENT AND PARENT HANDBOOK

This policy applies to the school community which includes students, parents, faculty and adults on our campuses, whether attending school, employed by the school, working as a contractor, volunteering or visiting. Any form of bullying directed toward any member of our school community by another member of the community is contrary to this policy and will result in disciplinary action.

As used in this policy, “bullying, harassment, or intimidation” means any intentional written, verbal, or physical act, including an electronic communication, that (1) physically harms an individual; damages an individual’s property; substantially interferes with an individual’s education or learning environment; or places an individual in reasonable fear of harm to the individual’s person or property; and (2) occurs on school property, at a school activity or event, or substantially disrupts the orderly operation of the school.

Cyber bullying is the use of cell phones, text messages, emails, social media, instant messaging, web blogs and postings to bully another student in any way described above. Examples of cyber bullying include but are not limited to sending threatening or insulting messages by phone and e-mail, posting embarrassing pictures and personal information about others on blogs or social networking sites such as Facebook, Snapchat, Instagram, etc., forwarding to others a private e-mail or text message that was meant for a single individual and spreading hurtful rumors online.

Anyone who is aware of bullying or is being bullied must report the incident to the administration of the school. The principal will investigate and take the appropriate action to prevent bullying.

ASSESSMENTS AND EXAMINATIONS

Standardized Tests

Each year the Catholic Schools in the Diocese of Memphis administer a series of standardized tests as a means of understanding each child, and to track student and grade level progress in order to improve upon the instructional program. Testing takes place in grades K-8 as scheduled by the Diocese.

TESTS

Tests will be given periodically. Adequate notice will be given for all tests. Students will record upcoming test dates in their planners.

EXAMS

Seventh and eighth grade students take semester exams. Please Note: Students who are absent during exams because of vacation will receive a U on the exam. Students will not be allowed to take exams early.

SOCIAL MEDIA

STUDENT AND PARENT HANDBOOK

Engagement in online blogs such as, but not limited to Facebook, Twitter, Instagram, Snapchat, TikTok, etc. may result in disciplinary actions if the content of the student or parent's blog includes defamatory comments regarding the school, the faculty, other students, other parents or parish.

BUCKLEY AMENDMENT

St. Mary's School adheres to the Buckley Amendment (Family Education Rights and Privacy Act) about the privacy of student records and the rights of non-custodial parents. It is the responsibility of the parents to share any official custodial information decided through the courts. Official custodial agreements will be kept in a confidential file in the office of the principal. In the absence of any court document, the school will view each parent as having full legal custody of his/her child. In the absence of a court order to the contrary, non-custodial parents have the right to receive records about their child's academic progress or lack thereof.

BULLYING/CYBERBULLYING/DISCRIMINATION/HARASSMENT

St. Mary's School attempts to provide a safe environment for all individuals. Verbal or written threats made against the physical or emotional well-being of any individual are taken very seriously. Students making such threats (**seriously or in jest or online**) face detention, in school suspension, out of school suspension or expulsion.

Students are expected to respect and protect the dignity and worth of everyone without regard to race, gender, color, national or ethnic origin, disability or religious persuasion. Bullying, including cyber-bullying, discrimination, harassment or hazing of students is strictly prohibited.

Physical aggression, verbal, written or graphic expression, social isolation and alienation or other behaviors targeting individuals are forms of violence that are not acceptable. Such as:

- physically harming a student or damaging a student's property
- knowingly placing a student or students in reasonable fear of physical harm to the student or damage to the student's property
- causing emotional distress to a student or students
- creating a hostile educational environment.

Students who engage in such behaviors will be subject to mandatory counseling, suspension from school activities and/or school, or expulsion at the discretion of the principal. The school may discipline students for off-campus behavior if such behavior creates a hostile, intimidating or threatening environment for one or more students or if such behavior substantially disrupts the orderly operation of the school.

Students who feel victimized by or who have knowledge of such behavior toward a student or students should report that to the school counselor or principal. Confidentiality of the report will be maintained to the maximum extent permitted within the context of an appropriate investigation and response by the school. Retaliation against those who report or who participate in an investigation is strictly

STUDENT AND PARENT HANDBOOK

prohibited. Students who deliberately submit false reports will be subject to appropriate disciplinary consequences.

When appropriate, such behavior will be reported to law enforcement. Parents are encouraged to report threats of violence or harm to their children to law enforcement, particularly if perpetrated electronically.

Anyone who is aware of bullying or is being bullied must report the incident to the administration of the school. The principal will investigate and take the appropriate action to prevent bullying.

This policy applies to the school community which includes students, faculty and adults on our campuses, whether attending school, employed by the school, working as a contractor, volunteering or visiting. Any form of bullying directed toward any member of our school community by another member of the community is contrary to this policy and will result in disciplinary action.

Cyber bullying is the use of cell phones, text messages, emails, social media, instant messaging, web blogs and postings to bully another student in any ways described above. Examples of cyber bullying include but are not limited to sending threatening or insulting messages by phone and email, posting embarrassing pictures and personal information about others on blogs or social network sites such as Facebook, Snapchat, Twitter, Instagram, TikTok, etc., forwarding to others a private email or text message that was meant for a single individual and spreading hurtful rumors online.

Anyone who is aware of bullying or is being bullied must report the incident to the administration of the school. The principal will investigate and take the appropriate action to prevent bullying.

CELL PHONES/ELECTRONIC DEVICES

The practice of students bringing cell phones to school is strongly discouraged. However, if a student needs a cell phone for pick up after an after-school event, students may bring a cell phone to school. Cell phones should be turned off during the day. If a student brings a cell phone to school, he/she must turn the cell phone off and give it to their homeroom teacher when they arrive in the classroom in the morning. Any student who does not follow the cell phone policy will have their phone taken and receive an automatic detention. Parents will need to come to the office to get the student’s cell phone. The Administration reserves the right to search the contents of a confiscated phone if the situation deems such an action.

STUDENT AND PARENT HANDBOOK

Students are prohibited from photographing or video-recording students or school personnel without their specific permission. Violation of this policy may result in suspension or expulsion at the discretion of the principal.

2. All electronic communication devices will be collected by the homeroom teacher when the student enters the classroom. The student will get their phone at dismissal.
3. These devices may not be turned on until the student has entered his/her car in the carpool line or until 3:30 p.m. A parent/guardian needing to communicate with a student during the school day should call the school office, not the student's phone. (Students are not to use their cell phones in After Care. They are to remain in their backpacks.)
4. Any electronic communication device that is discovered in the student's possession during the school day will be surrendered immediately to the teacher or staff member and will result in an automatic detention.
5. St. Mary's Catholic School will not be responsible for the loss, damage, or theft of any phone/electronic device brought to school.
6. Cell phones are not allowed on field trips, unless given specific permission on the permission slip.

Consequences for violating the terms of the contract are:

CEREMONIES AND OBSERVANCES

"A Christian education must promote a respect for the State and its representatives, the observance of just laws, and a search for the common good. Therefore, traditional civic values such as freedom, justice, the nobility of work and the need to pursue social progress are all included among the school

STUDENT AND PARENT HANDBOOK

goals, and the life of the school gives witness to them. Th national anniversaries and other important civic events are commemorated and celebrated in appropriate ways in the schools of each country.” Catholic schools shall give recognition to civic observances that are regarded as significant by the community.

Catholic schools shall display the United States flag on, near or in school buildings during the school day and at other times deemed necessary. A United States flag shall be in each classroom.

CHANGE OF ADDRESS OR OTHER CONTACT INFORMATION

A change of address, phone number, e-mail address or other vital contact information updated in the FACTS account immediately. Contact information must be current and correct to insure appropriate communication between the school and parent or guardian in both emergency and non-emergency circumstances.

IT IS EXTREMELY IMPORTANT TO HAVE VITAL CONTACT INFORMATION CURRENT. WE NEED TO BE ABLE TO HAVE A SICK CHILD PICKED UP IMMEDIATELY.

CHILD ABUSE AND NEGLECT

As required by state law, school officials, personnel, employees or board members who have knowledge or reasonable suspicion of child sexual abuse, child abuse or child neglect will report such knowledge or suspicion to the Department of Children's Services and/or to appropriate law enforcement officials. Any reports involving child sexual abuse that is known or suspected to have occurred on school grounds or while the child was under the supervision or care of the school will also be reported to the parent(s) or guardian(s) of the student.

The principal shall immediately inform the Superintendent and Director of Human Resources who shall initiate the investigation procedure established by the Diocese. Visits from the Department of Human Services are to be expected. Full cooperation should be afforded to the Department representative after proper credentials are presented.

Students are encouraged to discuss any knowledge or suspicion of such abuse or neglect with the principal or any faculty member on staff.

CLASS PARTIES

STUDENT AND PARENT HANDBOOK

required to pay 30% over and above the cost of the outstanding balance to cover the portion received by the collection agency.

COMMUNICATION WITH TEACHERS VIA EMAIL, TEXTING AND PHONE

Parents and teachers may communicate via email using the guidelines below:

- Communications are only for clarification of assignments, activities, times of events, etc. Parents and teachers should not conference about a student via email. Personal or educational discussions about a student need to be done over the phone or in-person.
- Communications should be brief and to the point. (No more than a few sentences.)
- A teacher is not expected to answer emails immediately. A teacher must give the students their full attention and is not able to answer during class. Teachers are required to respond to emails within 24 hours.
- Comments or questions regarding other children or teachers/employees in the school are not appropriate or permitted.

Comments can often be misconstrued in emails. In addition, email is seldom a secured channel of communication. For these reason, phone calls and conferences are preferred as acceptable means of personal communication between parents and the school.

Anyone who abuses, harasses a teacher or makes inappropriate, rude or angry comments via email or text can be blocked from our system and will only be able to communicate with the school via phone calls to the school office, hand-written communication or conferences.

COMPLAINT/GRIEVANCE PROCEDURE

The Diocese desires that problems be solved at the most direct level whenever possible. **Parents or students should first attempt to resolve conflicts, concerns or complaints regarding classroom issues or other students with the teacher or other staff person involved.** If the issue is not resolved, the parent or student should attempt to resolve the issue with administrative staff and/or principal.

If the issue remains unresolved, the parent or student may file a complaint with the pastor or the Superintendent.

CONFERENCES

Parent/teacher conferences are scheduled in the fall during the school year. If at any time, a parent needs to schedule a conference, they are encouraged to do so. An appointment may be scheduled by e-mailing or calling the teacher at the school. At no time will phone calls be taken by the teacher or conferences held during the regular school day when the teacher has the responsibility of supervising

STUDENT AND PARENT HANDBOOK

the students in the classroom. This time extends to the time before the school day begins and during dismissal. Parents must speak with the teacher before scheduling an appointment with the principal.

Parent/principal conferences may be held during the day by scheduling an appointment.

- Regular drop off is between 7:30- 7:55 a.m. Dismissal is between 3:00-3:30 p.m. for students in kindergarten through 8th grade.
- In the mornings, only a single lane close to the school will be permitted. No one is to make a second lane for the purpose of dropping a child off. Drop off is not permitted in the parking lot beside the church or the driveway between of the school and the Knights' building.
- **Please encourage children to get out of the car as soon as the sidewalk begins (in front of the parish office) to allow the line to move more quickly.**
- **Children must get out of the car on the sidewalk side.**

- If you need to escort your child to the lobby, or come to the school office, please park in the large lot across from the playground area and cross traffic with your child in front of the parish office.
- The faculty and staff park in three areas:
 1. The parking lot across from the school.
 2. The parking spaces in front of the Knights of Columbus Hall.
 3. The parking lot behind the cafeteria where our PK students have their carpool line.
- You may use those parking lots after 8:00 a.m. and before 2:30 p.m. if spaces are available.
- No student may be dropped off in any parking lot, or by stopping in the handicap zone. Students who are not in the PreK program may not be dropped off in the PreK drop off and pick up area.
- In inclement weather, we ask that you please drop your child off in the carpool line. This is the safest and easiest way for the children to enter the building.

- Please do not make a left turn onto the by-pass when leaving the church/school property during arrival or dismissal. The high traffic at this time creates safety issues and causes the carpool line to back up.
- The school has the right to prohibit anything that destroys the integrity and flow of the arrival and dismissal process. Any circumstance that causes disruptions to this process on school property before, during or after school hours will not be allowed.

EMERGENCY SCHOOL CLOSURES OR DELAYS

FIELD TRIPS

School sponsored field trips are a source of enrichment for the students and will have an educational purpose. Field trips are confined to instate trips except with the permission of the Superintendent (or Pastor at a parish school). The Diocesan policy for volunteer drivers shall be followed. (See Volunteer Drivers) Safety of children and school liability shall be major considerations when arranging field trips.

The Diocesan field trip permission form will be used in all schools. This must be signed by the parent/guardian before any child may accompany his/her class on a field trip. **No students will be permitted to attend a field trip without the written signed permission slip.** The school rules and uniform policies still apply for field trips. Special permission is needed from the principal to dress out of uniform for a field trip. Students can be deprived of participating in a class trip as a disciplinary action. Students should be made aware of the fact that field trips are privileges afforded them; no student has a right to a field trip. (Students are expected to attend these field trips. If for some reason a student cannot attend, the student is expected to attend school on that day.)

When approved, overnight class trips are for students in grades five through eight (5-8) only and will be requested by the principal and approved by the Pastor or Superintendent.

FOOD ALLERGIES

HEALTH EXAMINATIONS AND IMMUNIZATIONS

Students prior to enrollment must provide health examinations and proof of immunization in accordance with the regulations of the Tennessee Department of Education. If proper documentation is not on file, students will not be permitted to attend classes.

HEALTH SERVICES

SCHOOL NURSE

A school nurse is not available at St. Mary's school. The office staff handles minor health situations and will contact parents when necessary.

CONTAGEOUS DISEASES

Children should be kept home if there is evidence of sore throat, fever, nausea, rash, swollen glands, abdominal pain, watering eyes, etc. Please notify the school office if a child has a communicable disease. A communication will be sent to the parents of the students in the class informing them of a contagious disease. The school requires a release from the doctor before the student can be re-admitted to class.

ILLNESS DURING THE SCHOOL DAY

The parent or guardian will be notified when a student becomes ill during the school day. The principal and/or office staff, and the parent or guardian will determine whether the child should be dismissed to go home. Students who are seriously ill or who constitute a danger of spreading illness to others will be expected to be picked up by the parent or guardian. Students should not return to school for one school day after experiencing a fever or rash.

HEAD LICE PROCEDURE

If a child has head lice, please notify the office. Other students in the class will then be checked. A communication will be sent home the day of head checks so that all parents will be alerted to the possibility of this condition. The office will notify the parent if a child shows evidence of this condition

STUDENT AND PARENT HANDBOOK

and information on detection and treatment will be provided. Upon returning to school the child must report to the office to have another head check before being allowed to return to the classroom.

HOMEROOM PARENTS/CLASS PARTIES

Homeroom parents assist the teachers in the planning of events for the classes, as well as in whatever way the teacher feels would be beneficial to his or her class.

Grades PK – 8th Grades have class parties for Halloween, Christmas and Valentine’s Day and other special days as deemed appropriate by the teacher. The head homeroom parent of each class will have the responsibility of assigning the other homeroom parents to specific duties. Homeroom parents are to plan with the teachers concerning the specific aspects of these parties.

HOMEWORK

Homework is an integral part of a student’s learning program as it enables deeper learning of skills, concepts, and content. Additionally, homework helps students become a responsible and self-disciplined learner.

Students gain value from homework when they understand that:

- homework has a definite function in enriching and extending what they have learned in class
- homework is preparation to share with others something they have discovered, read or created
- homework is practice improving basic skills
- homework provides valuable time to study and review for upcoming tests

Students are required to use a school distributed planner to record their daily homework and upcoming assignments, tests, and quizzes. Parents should check their student’s planners daily to ensure that this work habit is being developed.

Teachers will post homework in their classrooms daily. The students are responsible for writing their assignments in their planner. If a student is absent, **HOMEWORK MUST BE REQUESTED BY 10:00 a.m. SO THE TEACHERS CAN HAVE IT READY FOR PICK UP AT THE END OF THE DAY. IF REQUESTED AFTER 10:00 a.m. YOU WILL RECEIVE THE ASSIGNMENTS THE NEXT DAY.**

Parents have a responsibility to provide a quiet place that is conducive to study and to exhibit a real interest in the accomplishment of assignments. The amount of time that a student spends on homework depends on the student. The following time frames provide **guidelines** as to the amount of time a student in a particular grade-level may spend to complete their homework. Please inform the teacher via email if your child is consistently spending less or more time than these guidelines.

The following are suggested time frames to spend on homework:

STUDENT AND PARENT HANDBOOK

- 1st Grade: 20 – 30 minutes
- 2nd Grade: 20 - 30 minutes
- 3rd Grade: 30 – 40 minutes
- 4th Grade: 40 – 50 minutes
- 5th Grade: 50 - 60 minutes
- 6th Grade: 50 - 60 minutes
- 7th Grade: 60 - 90 minutes
- 8th Grade: 60 - 90 minutes

LATE HOMEWORK

Late homework will be accepted on the day following the due date. The student will receive a grade no higher than 70%. If homework is not turned in the second day after the assignment is due, the student will receive 0% for the assignment. (A zero will be entered in the gradebook on the due date until the assignment is handed in to the teacher.)

MAKE-UP WORK

Students are responsible for making up work missed during excused absences. All make-up work for days of excused absence must be completed and submitted to the teacher(s). For every day absent due to an illness, a student has two days to make up the work. If the absences exceed five consecutive school days, the parent and teacher(s) should agree to a deadline for the submission of the work.

When a child is absent, teachers will have assignments for parents to pick up after school between 3:00-3:30 PM **when requested. Requests must be made before 10:00 AM.** Parents are also encouraged to check Ren Web for their student's homework.

The school is under no obligation to provide make-up work or special testing arrangements for absences due to reasons such as vacation. Teachers are not required or obligated in any way to give assignments before or after family events and/or vacations. Assignments are given and are due at the discretion of the school and teachers under these circumstances.

HONOR ROLL

Honor Roll is awarded to students in grades 3 through 8.

St. Mary's has a grade modification program for students who have diagnosed difficulties in a traditional educational setting. These students may receive a modified grade that is stated on the report card as modified and allows their average to fall into the First Honors or Second Honors category.

INSPECTIONS/SEARCHES

Students have no expectation of privacy in any school property, including but not limited to lockers and desks, in electronic devices, backpacks, athletic bags, or other containers brought onto school property or to school events.

Lockers and desks provided for student use are the property of the school and are subject to search or inspection at any time. School administrators or their designees may search students' personal possessions, including but not limited to, backpacks, athletic bags, purses, electronic devices and private vehicles if needed to investigate a potential violation of law or of Diocesan or school policy or rule.

A student may be subjected to physical search when necessary to preserve the order, discipline, safety, supervision or education of students. Such searches shall be conducted in private by a school administrator or administrator's designee who is of the same gender and with an adult witness present unless an emergency circumstance prevents compliance with this requirement. "Strip searches" are prohibited unless conducted by a parent or guardian. Strip search is defined as requiring a student to remove his/her clothing such that undergarments are visible or are removed. Removal of coats, jackets, shoes, socks and/or belts, or the untucking of shirts, do not fall within the definition of a strip search. If illegal or contraband materials are found, they will be turned over to appropriate legal authorities.

School personnel will conduct quarterly safety inspections. The insurance company will conduct yearly inspections of the facilities and grounds. Annual asbestos inspections will be conducted.

LIBRARY

All curricular materials used by St. Mary's School are chosen because they contribute to the overall academic and moral formation of the students. If a parent has a question or a concern about any book or materials in the school library, he/she should communicate their concern to the principal. St.

STUDENT AND PARENT HANDBOOK

Mary's School reserves the right to make final decisions regarding materials used in its media center and curriculum.

LOCKERS

Like other school property, students are expected to care for and protect lockers and to compensate the school for damages resulting from their destruction or defacement, whether willful or accidental. Willful destruction or defacement of lockers will also subject a student to appropriate disciplinary procedures.

The school is not responsible for lost or missing personal items whether stored in the locker or elsewhere.

LOST AND FOUND

Students or others who find clothing, jewelry, books, money or other articles should turn these into in to the school office. Lost items will be returned if ownership is identifiable. If ownership is not identifiable, items will be kept and may be reclaimed by owners who accurately describe them. Items not reclaimed by the end of the school semester will be discarded or charitably donated.

All student property must be labeled for easy identification.

LUNCH – Gourmet Your Way

St. Mary's School is partnering with Gourmet Your Way to provide school lunch. If the student chooses to eat lunch at school, the parent will pay for the student lunch through the FACTS system.

Students may bring their lunch from home in a lunchbox. The cafeteria has a microwave that is accessible to students.

No outside food except what is provided and approved by St. Mary's is permitted (Door Dash, Uber Eats)

Each student should bring a water bottle that has a lid each day. Only water is permitted in the water bottle.

MEDICATION POLICY AND FORMS

A Medication Administration form is available below and in the school office

For the school to administer medication during school hours, on school property or while attending school events it must be medically necessary. Students may not receive or take any medication unless a Medication Authorization Form is completed and signed by the parent/guardian and, for prescription

medications and over the counter medications, by a health care professional (physician, nurse practitioner, physician assistant or dentist) that is licensed to practice in Tennessee. The following conditions will apply:

1. A new Medication Authorization Form is required at the beginning of each new school year or at any time there are changes in the medication or its administration, including its discontinuation.
2. A separate Medication Authorization Form must be completed for each different medication.
3. The parent/guardian may complete the health-care provider section for non-prescription medication.
4. A physician's order and specific parental consent are necessary for self-carry/self-administration of emergency medications such as inhalers or *Epipens*. A notice signed by the school principal authorizing a student to self-carry/self-administer medication will be kept by the student at all times on school property, during the school day.
5. Medication must be delivered to the school by the parent/guardian, or in special circumstances, by another responsible adult approved by the parent/guardian. Such approval shall be in writing and submitted to the school principal in advance of delivery.
6. All medications provided to the school must be in the original container and labeled by the pharmacist with the student's name, name of medication, dose, frequency, method or route of administration and any special instructions, including but not limited to adverse effects that may reasonably be expected and contraindications to administering the medication. Non-prescription medication must be in the original container with the manufacturer's label intact and clearly labeled with the student's name. The parent/guardian assumes full responsibility for maintaining a current supply and the appropriate transportation of medication.
7. Medication delivered to the school will be recorded by student name, medication name, date of delivery, quantity delivered and expiration date. Medication will be stored in a secure location accessible on an as-needed basis. The principal or principal's designee will reconcile the supply of all medication with the administration logs no later than the third school day of each month.
8. Staff members who assist in the administration of medication will maintain a log of such administration. Medication logs will be signed by the staff member and filed with the principal on the first school day of each month.
9. The first day's dosage of any medication must be administered at home before school personnel will administer it.
10. The school principal will designate a member of the school staff to administer the medication. Staff members will be trained to verify that the administration is consistent with instructions on the authorization form and medication container at the time of each administration.

13. Medication prescribed on an "as-needed" basis will not be administered by school personnel without, in addition to the Medication Authorization Form, a statement of permission signed and dated by the parent/guardian and specifying the requested day(s) of administration.
14. Unused medication will be destroyed if not claimed by the parent/guardian within five working days of the end of the school year, the expiration date of the medication or the discontinuation of the medication, whichever is earlier.
15. Failure to register medication will lead to a presumption that such medications are not lawfully in the possession of the student.
16. The parent/guardian must agree to release the Catholic Diocese of Memphis, its Board, directors, employees and agents from all liability, claims and actions that may arise from injury or harm to his/her child provided school staff are following the health care provider's order as submitted on the Medication Authorization Form. OSHA REGULATIONS

Catholic schools shall comply with the OSHA standards on blood-borne pathogens and hazard communication and any other standards issued which apply to the school. The schools shall also comply with the Diocesan procedures established to comply with these standards.

PARENTAL SUPPORT

It is important that children be thoroughly convinced that their parents stand behind the school. Parents and teachers can best serve the students they jointly care about by working together, by investigating whatever misunderstandings might arise, and by supporting one another in all things. In the case of a disagreement, it is in a student's best interest that all come to some understanding which will safeguard the student's respect for parental and school authority.

PARENT/TEACHER CONSULTATIONS

Teachers and parents or guardians are encouraged to communicate throughout the school year by phone, written notes, letters, e-mails, scheduled on-site meetings or classroom newsletters. Social media should not be used for such exchanges between teachers or other school officials and parents. Parents who desire to meet with teachers or other school personnel must schedule the meeting in advance.

PARENT INVOLVEMENT

The first and primary educators of children are their parents. Parents/guardians are expected to support the administration and teachers at the school. The school values input of parents/guardians and uses survey information in forming long-term goals. In keeping with the process of subsidiarity, problems should be solved at the most direct level possible beginning with the classroom teacher. If the issue is not resolved, parents/guardians should try to solve the issue with the principal. If the issue remains unsolved the parents/ guardians may contact the pastor. Social Media (Facebook, Instagram, Twitter, etc.) is not the platform to air grievances to affect changes and may be detrimental to the school which would not be considered as support of the teachers and administrators of the school

***** The school and the parents are partners in the education of children. If, in the opinion of the administration, that partnership is no longer viable, the school reserves the right to require the parent to withdraw the student from the school. *****

PARTENERSHIP OF PARENTS

Retention of a student in any grade for a second time is not permitted. No student shall be retained more than twice during the entire elementary school years. If deemed necessary, retention shall occur within the primary grades.

Prolonged absences are not a basis for retention. If a student's achievement is affected due to these absences, retention may be necessary. Otherwise, alternatives may be pursued prior to the final decision, such as, homebound tutoring, supervised study and/or summer school.

When the **possibility** of retention exists, parents will be notified by the end of the first semester. Confirmation of retention shall be communicated in writing to parents.

SPECIAL EDUCATION

Limited modifications and accommodations can be made for students in grades K-8. The extent and frequency of support for each student is determined by the administration and teachers in consultation with parents and other educational specialists.

After consultation with a student's teachers, the principal may require that a student have an academic or behavioral assessment or counseling in order to remain at Saint Mary's School. Such an action is taken only to benefit the student and to help improve his or her likelihood of success at Saint Mary's. The school regrets that it is not able to administer this assessment nor to assume financial responsibility for any costs associated with the assessment or counseling. Parents may request an assessment, which is provided free of charge through the public school system, or they may choose to have the assessment done through a private, certified third party. School personnel will be available for meetings requested by the testing agency.

The administration will need to communicate with the educational specialist or psychologist in order to gain a better understanding of the needs of the child. The school will provide reasonable accommodations for the child as required by law. If the administration believes that the school cannot provide the recommended accommodations, parents will be notified and both parties will meet with the testing or counseling personnel.

STUDENT BEHAVIOR

STANDARDS OF CONDUCT

STUDENT AND PARENT HANDBOOK

True courtesy is born of Christian charity and is prompted by consideration for others. School authorities have an obligation to expect a wholesome respect from their students and a spirit of loyalty and cooperation. This is shown by student interactions with one another as well as with teachers and other adults. It is customary for Saint Mary's students to exhibit outward marks of respect such as rising when an adult enters the room, speaking in a polite manner, holding and opening doors, and general acts of kindness toward adults and students alike.

SCHOOLWIDE DISCIPLINE PLAN

Guiding Principles

The mission of Saint Mary's School is inspired by Christ's words, "I came that they may have life and have it to the full." Saint Mary's School dedicates itself to the education of the whole child – spiritually, intellectually, emotionally, and physically – in a nurturing environment permeated by a Christ-centered atmosphere. Being fully aware of moral challenges posed by our culture, students are directed toward an unending pursuit of God in all that is true, good, and beautiful.

The administration, faculty, staff and students of Saint Mary's School dedicate themselves to the pre-eminent goal of fully knowing, loving and serving the Triune God. In the practice of daily living, this all-encompassing endeavor results in an educational atmosphere that is richly Christian and specifically Catholic.

True courtesy is born of Christian charity and is prompted by consideration for others. School leadership has an obligation to expect a wholesome respect from each student and a spirit of loyalty and cooperation. This is shown by student interaction with one another as well as with teachers and other adults. It is customary for Saint Mary's students to exhibit the outward effects of respect they have interiorized through virtuous interactions with their peers, teachers and other adults.

Basis for Discipline

STUDENT AND PARENT HANDBOOK

Discipline is an important part of the overall educational process at Saint Mary's School. The school's main objective is to create a positive, structured and loving atmosphere in which each student can thrive. Discipline shall be considered an aspect of moral guidance, an outgrowth of self-discipline, and not simply a form of punishment. According to Merriam Webster, discipline is defined as "to train or develop by instruction and exercise especially in self-control" ([www.https://merriamwebster.com](https://merriamwebster.com), 2019). We have established this discipline plan for the following reasons:

- Negative behavior shows a need that is not being met. We must understand these needs before we can help a child think on a higher order level.
- A schoolwide commitment that establishes and maintains appropriate student behavior will emphasize a focus on student learning.
- In order to solve behavior that goes against one's true self, a proactive approach is necessary.
- Helping students develop self-control allows them to stay aware of their behavior. As a result, they can confront and resolve their problems in a reasonable manner without entering into negative behavior.

The administration, faculty and staff of Saint Mary's School are committed to developing a Schoolwide Discipline Plan resulting in an educational environment that is positive and preventative of disruptive behaviors. Since Saint Mary's School is Catholic first and foremost, administrators, faculty, staff and students recognize the inherent dignity of each person as a creature made in the image and likeness of God. All persons should be treated with respect, kindness, mercy and justice. Teachers strive to instill in the students that Christ is the source of their strength, the goal of their actions and the center of their lives. Teachers encourage Christian truths, values, and virtues within the students who face the challenges and opportunities of our society.

Parents and families are the first and primary educators of their children. Parents are the best teachers and understand their child's level of maturity, own natural dispositions, personalities and unique factors, which influence each student in this ever evolving 21st century.

VISITORS

- All visitors and volunteers are required to sign in at the office and wear a visitor badge. This is for the safety of the children and to let the administration know who is always in the building.
- For academic reasons, for the privacy of each student, and to avoid general disruption, classroom visitation will not be allowed without the special permission of the principal. For the good of the classroom itself, this permission is not readily given. Cooperation regarding these matters throughout the school year is appreciated. Visitors should not linger in the hallways near the classrooms.
- Items brought to the school to be delivered to the classroom are a disruption in classroom learning. Therefore, items brought to the school after 8:00 A.M. will be kept in the office and the child may pick them up either at lunch or recess time. Children should learn the responsibility of bringing their lunches, books, and other items to school as assigned.
- If a parent wishes to provide cupcakes or cookies for the class for their child's birthday they must be brought to the office to facilitate getting them to the child's classroom.
- Flowers and balloons may not be delivered to school for a student.

VOLUNTEER CONFIDENTIALITY

Volunteers must sign a confidentiality agreement prior to service in or for the school.

VOLUNTEER DRIVERS

Parents who chaperone students on school-related functions or field trips have the authority to enforce the school rules of safety and good behavior. Because of this responsibility, it is a Saint Mary's policy that parents who chaperone for field trips may not bring siblings. Field trips are geared for the age of the class taking the trip and chaperones are to be responsible for those students.

To transport students, a copy of the volunteer driver's valid license and proof of insurance must be on file in the school office. Volunteer drivers must also participate in the Diocesan driving class, have a Diocesan background check, a Virtus certificate, and must sign a volunteer driver agreement acknowledging that they will follow all traffic laws, will never leave students unsupervised and will not talk on their cell phones or text while driving. Unless travelling with their own parents or guardians, at least two adults must accompany any students in any vehicle used for trips related to school activities or events.

STUDENT AND PARENT HANDBOOK

WEATHER EMERGENCIES

Catholic schools shall follow the warnings and directions given by the National Weather Service in the event of a weather emergency.

WITHDRAWAL

Transfer records requested by another school will not be released for students who have financial obligations to the school. Health records must be released to parents if requested. All other records will remain with the school or will be transferred directly to the school in which the student enrolls. An exit interview with the Admissions Director is customary upon leaving Saint Mary's School.

WITHDRAW OF STUDENTS ON GROUNDS OF PARENT/GUARDIAN BEHAVIOR

Normally a child is not to be deprived of a Catholic education or otherwise penalized for actions of parents. However, in the instance where parents/guardians detrimentally impact the school's ability to effectively serve its students, the parents/guardians may be requested to remove their student from the school for ANY of the following reasons:

- Refusal to cooperate with school personnel
- Refusal to adhere to Diocesan or local policies and regulations
- Interference in matters of school administration or discipline
- Misconduct at any school function including sporting events

In all cases, reasonable effort to elicit the minimum requisite parental/guardian cooperation shall be made and documented. The principal must verify that parents/guardians were informed to terminate the inappropriate behavior and to cooperate with the school and the consequence for failure to do so. If such effort does not correct the situation, then after consultation with the Pastor/Superintendent, the principal may require the parents/guardians to withdraw the child. Documentation signed by the principal and parents/guardians as well as any other information or evidence of consultation with the parents/guardians on the matter must be retained on file.

Guidelines on the Reception of Holy Communion

On November 14, 1996, the National Conference of Catholic Bishops approved the following guidelines on the reception of communion. The guidelines, seek to remind all those who may attend Catholic liturgies of the present discipline of the Church regarding the sharing of Eucharistic communion.

For Catholics

As Catholics, we fully participate in the celebration of the Eucharist when we receive Holy Communion. We are encouraged to receive Communion devoutly and frequently. In order to be properly disposed to receive Communion, participants should not be conscious of grave sin and normally should have fasted for one hour. A person who is conscious of grave sin is not to receive the Body and Blood of the Lord without prior sacramental confession except for a grave reason where there is no opportunity for confession. In this case, the person is to be mindful of the obligation to make an act of perfect contrition, including the intention of confessing as soon as possible (canon 916). A frequent reception of the Sacrament of Penance is encouraged for all.

STUDENT AND PARENT HANDBOOK

For our fellow Christians

We welcome our fellow Christians to this celebration of the Eucharist as our brothers and sisters. We pray that our common baptism and the action of the Holy Spirit in this Eucharist will draw us closer to one another and begin to dispel the sad divisions that separate us. We pray that these will lessen and finally disappear, in keeping with Christ's prayer for us "that they may all be one" (Jn 17:21).

Because Catholics believe that the celebration of the Eucharist is a sign of the reality of the oneness of faith, life, and worship, members of those churches with whom we are not yet fully united are ordinarily not admitted to Holy Communion. Eucharistic sharing in exceptional circumstances by other Christians requires permission according to the directives of the diocesan bishop and the provisions of canon law (canon 844 § 4). Members of the Orthodox Churches, the Assyrian Church of the East, and the Polish National Catholic Church are urged to respect the discipline of their own Churches. According to Roman Catholic discipline, the Code of Canon Law does not object to the reception of communion by Christians of these Churches (canon 844 § 3).

For those not receiving Holy Communion

All who are not receiving Holy Communion are encouraged to express in their hearts a prayerful desire for unity with the Lord Jesus and with one another.

For non-Christians

We also welcome to this celebration those who do not share our faith in Jesus Christ. While we cannot admit them to Holy Communion, we ask them to offer their prayers for the peace and the unity of the human family.

ATHLETIC TEAMS

EXTRACURRICULAR ACTIVITIES

Introduction and Philosophy

Saint Mary's athletic program is an extra-curricular program sponsored by Saint Mary's School through the work of volunteers. The program is self-supporting through sports fees. It is open to St. Mary's School students and The Family Christian School students, and Home School students who meet the eligibility criterion set by the school administration. All Saint Mary's and Family Christian athletes are expected to follow the Academic requirements, the Conduct/Behavior codes and the guidelines for physical appearance that are stated in the St. Mary's Parent/Student Handbook.

Students in the PRE program are eligible to participate in the PAL and Church Leagues according to the criterion set up by the leagues. The program seeks to instill an enthusiasm and respect for life, positive school spirit, a generous use and development of personal talents, and an enjoyable time for the

STUDENT AND PARENT HANDBOOK

students. It seeks as well to guide the individual to function as a member of a team working to achieve a common goal. Respect, generosity, honesty, fairness, and sportsmanship are necessary virtues for truly successful athletes. Although winning is enjoyable and a goal, it is not the primary focus of Saint Mary's athletic program. The school administration, Catholic Schools of Jackson Athletic Booster Club, and the coaches emphasize this.

Saint Mary's athletic program strives to provide opportunities for each participant to develop and combine physical, spiritual, and social needs as young athletes. Appropriate physical fitness is one part of a young boy or girl's over-all growth as a human person. Acquiring confidence rooted in discipline and perseverance is our main program objective. The Instructional program addresses the needs of our youth in an environment of stability and friendship. With appropriate guidance, athletic competition and spiritual growth can be accomplished together as well as formation of Christian character in each of the athletes. Saint Paul compares athletic competition to spiritual growth. In both, the person must struggle with work and perseverance to achieve desired results.

The sports program operates in two separate divisions: PAL (Parochial Athletic League) for K-4 basketball and middle school sports in the Jackson-Madison County Public School League.

Saint Mary's athletic program is structured with the best interest of the children at heart. Basic to the program at Saint Mary's are the following principles:

- A child entering a sport should receive direction to develop fundamental skills and basic strategies for the sport.
- Coaches will strive to provide a positive environment, which will facilitate learning, as well as Christian social skills and good sportsmanship.
- Each student who wishes to take part in a given sport will have the opportunity to become an active participant.
- Participants will learn to accept defeat with dignity and sportsmanship.
- The sports program has its proper place among the educational priorities at St. Mary's School. While participating in athletics, each student's scholastic efforts as well as attitude and behavior within the school setting must reflect appropriate growth, a growth that the athletic program exists to enhance.

Purpose of The Catholic Schools of Jackson Athletic Booster Club

- To establish and maintain a Saint Mary's sports program that follows the philosophy and guidelines as set forth by Saint Mary's School.
- To sponsor and promote athletic activities for the youth of Saint Mary's School.
- To advise the administration of Saint Mary's School in athletic matters.
- To provide and establish a program budget each year, which the association maintains.

STUDENT AND PARENT HANDBOOK

- To coordinate activities with the Athletic Director and to maintain good communication for the success of the program.

Parent Responsibilities

1. Submit sign up forms, athletic fees, release forms and medical forms on time. The establishment of teams, selection of coaches and entrance into a league, all hinges on the timely receipt of the sign-up form. Children will not be able to practice and may be excluded from the sport if the deadlines are not met.
2. Attend the parent meeting.
3. Volunteer to work the concessions. Sign up for concessions will be explained at the parent meeting.
4. In the event your child is not eligible to play during a certain time period due to grades and/or conduct or another reason, an e-mail notification will be sent.
5. Keep uniforms and equipment clean and in good working condition. Return items on time. Lost or damaged items will require replacement by the parent at the parent's expense. Progress reports and/or report cards will be held until uniforms have been returned or paid for in full.
6. Bring players to practice or game and pick up from practice or game on time to ensure transportation has been arranged. If a pattern of leaving students alone early or late at practices and games develops and continues during a season, the student may not be allowed to continue in the athletic program.
7. Inform the coach if a player will not be present for practice or a game.
8. Alert the coach of any medical conditions your son or daughter has prior to first practice. Any player who sustains an injury during a practice or game that requires a doctor's attention you must submit an original letter signed by the doctor to the coach which states that the player may return to sports activities.
9. Support the team and coach by attending games, helping with home gate or concessions, score keeping and/or cleaning up.
10. Uphold the spirit of Saint Mary's by setting a Christian example and insuring that all players set the same example while representing Saint Mary's. Parents should not approach the referee with problems about the game. Parents should not be disrespectful to referees or coaches, nor should they heckle any players. They should not use profane or offensive language. Parents should control outbursts of their emotions during practices, games, and athletic events. Parents will be asked to leave a game or event in which they have displayed inappropriate behavior. However, a parent who violates these rules will be permitted to attend the next game. A parent who consistently violates these rules will be suspended from attending athletic games for the rest of the season. It is important to remember that a parent's inappropriate behavior not only causes embarrassment to the school, but to the child as well. Children learn best through example, primarily from their parents.
11. The presence of persons under the influence of alcohol or who are in possession of alcoholic beverages are strictly prohibited at any athletic event where Saint Mary's students participate.

Student Athlete Responsibilities

STUDENT AND PARENT HANDBOOK

1. The student athlete must be at all practices, games, and team meetings. Permission from the coach is needed to be absent. If a student misses practices without a legitimate excuse, he/she cannot expect to play the following game.
2. The student athlete needs to see that he/she maintains proper care of the body, adequate sleep, and proper warm-up before and after each practice and game.
3. The code of conduct expected at school is also expected at all events related to the sport.
4. The student athlete must be responsible to prepare well for academic classes during the sports season maintaining the eligibility requirements in the Student Handbook. The goal of the athletic program is to enrich the development of the whole child, and should not interfere with the student's academic success.
5. The student athlete is expected to always perform to the best of his/her ability while also extending courtesy to coaches, officials, opponents, team members, spectators, and school employees both during and outside of games.
6. Christian conduct is expected of the student athlete at all events as a participant or as a spectator.
7. Any inappropriate or offensive behavior or language during athletic events will result in suspension from the next game. If a student chooses to repeat the behavior a second time they may be removed from the team for the rest of the season.
8. Uniforms must be cared for and returned to the school on time and in good condition.
9. Students must leave St. Mary's and other school's facilities clean and free of damage.

Admission to Games

Entrance fee for home games will be set at the beginning of each school year. St. Mary's students have free admission to home games.

Attendance

Students who have not attended school during the day may not participate in a St. Mary's function, including practices and games after school hours, **this also includes leaving school early**. Permission from the principal is necessary for exceptions to this regulation for serious reasons. No exceptions will be made for a person who was sick during the day.

Concessions

Parents of team members must help with concessions during the season as scheduled.

Injury

Any injury occurring at a practice, scrimmage, or game must be reported to the Athletic Director who will help the athlete complete the injury report form, which must be turned in by the next school day. Neither coaches nor parents should attempt to "fix" an injury. Common sense should be used in determining the course of action in the absence of a parent/guardian.

STUDENT AND PARENT HANDBOOK

Required Forms and Fees

All forms and fees for each sport should be sent into the Athletic Director on time. The participation fee for each sport will be set by the Athletic Council at the end of the school year for the next school year.

Uniforms

The Athletic Director will make selection and purchase of uniforms. Each player of the team is responsible for keeping the uniform in good condition. If the uniform is lost or damaged by the player, then the parents of the player are responsible for payment of the replacement. Jewelry of any kind is not permitted, even in the player's hair.

PAL (Parochial Athletic League) Basketball

This is a non-competitive sports league for K-4th grade students. All rules are designated by the PAL rules and regulations.

Formation of PAL Teams

The Athletic Director will coordinate the registration and formation of teams for the PAL league. This usually occurs in October.

Team Selection

The coaches will conduct tryouts for each sport if it can be determined by the Athletic Director that they do not have a bias in the selection. Specific criteria will be used in the selection process: respect for adults and teammates, cooperation with directions, sportsmanlike conduct, teamwork, skill, and enthusiasm for the sport. To be excused for a missed tryout, an explanation of extenuating circumstances must be given to the Athletic Director and the coach who will decide upon the course of action depending upon the situation. Normally, students must be present for all the tryout days, unless there is illness or extreme circumstances.

Schedule of Practices and Games

The league and Athletic Director do all schedules for league games with the input of the coaches for each team according to TMSAA regulations. The Coach with the final approval of the Athletic Director makes practice schedules.

Summer Practices

No child may participate in summer practices for any sport unless they are registered and enrolled in Saint Mary's School for the upcoming academic year.

Drivers to Games

All volunteer drivers, if leaving from school to a practice or a game in a carpool, must have a completed volunteer driver form on record at the school.

STUDENT AND PARENT HANDBOOK

Physical Examination and Parental Consent

It is required that no student be permitted to participate in practice sessions or in athletic contests until there is on file with the Principal a pre-participation medical evaluation form signed by a doctor of medicine, osteopathic physician, physician assistant, or certified nurse practitioner stating that the student has passed a physical examination, not prior to April 15th, and that in their opinion the student is physically fit to participate in interscholastic athletics. In lieu of the form, the principal may accept a signed statement from the health care provider certifying that the student has passed a physical examination that encompasses all elements on the pre-participation medical evaluation form attesting that in their opinion the student is physically fit to participate in interscholastic athletics.

No student shall be required to submit a physical exam if his/her parent(s) or legal guardian shall file with the principal a signed, written statement (affirmed under the penalties of perjury) declining such physical examination on grounds of sincerely held beliefs or practices.

At Saint Mary's school the Athletic Director is responsible for all athletic medical evaluation forms and physical examination forms.

Tuition

Saint Mary's School may remove any student from athletic eligibility whose accounts with the school are 60 days overdue.

Academic Requirements in Athletics

Athletics has the potential to help each child achieve their best in all they do. Athletics can help one to be physically healthy, promotes discipline and perseverance in achieving a goal and teaches cooperation with others.

Because academics and athletics go hand-in-hand, a student's academic progress affects his/her eligibility to participate on an athletic team. If a student is failing two or more subjects at the time of tryouts, the student is not eligible to tryout.

If a student is failing one subject at the time of tryouts, the student may try out for the team, but he/she is placed on two-week probation if selected for the team. The student's academic progress will be re-evaluated at the end of the two-week probationary period to determine further eligibility.

When a student is not maintaining a passing grade in every subject, or has a D in two subjects, or has a U in conduct, the student will not participate in games or any athletic contest for at least two weeks immediately following the evaluation. (The dates of ineligibility will appear on the *Eligibility Form* sent home with the student.) If after two weeks the deficiency is corrected, the student may participate in games.

Evaluations will occur each quarter at the times of progress reports and report cards. The same criterion holds for both progress reports and report cards.

STUDENT AND PARENT HANDBOOK

The schools shall comply with the rules and regulations governing athletics, which have been established by the appropriate accrediting and/or approval agency and any athletic associations to which the school belongs.

Student Ambassadors

The purpose of the Student Ambassadors at Saint Mary's is to develop good citizenship and leadership among the middle school students. This organization will, with the approval of the administration, initiate activities that promote a positive school environment, invoke school spirit, and demonstrate Christian leadership in serving the general welfare of the school and community through service activities. This council also allows our students to develop a deeper understanding of the democratic form of government.

Candidates wishing to apply for membership as a Student Ambassador will be required to complete a Consideration for Candidacy form and submit the form to the principal by a specific date. Membership criteria will be based upon good academic standing, exemplary behavior, and character.

To be eligible to run for office, students must have previously shown exemplary behavior without detentions for misbehavior and/or disrespect of another student/teacher and have an overall C average in all subjects. Once elected, to remain on the council, students must strive to maintain these standards.

If a Student Ambassador is unable to maintain the standards for behavior as mentioned above, a conference with the advisor will take place to discuss continued service on the council.
